CANDIDATE: _____

The committee has the following categories available for rating the candidates. If you were rating this candidate, which category would you choose and why?

CIRCLE ONE

Not Qualified Qualified Well Qualified Exceptionally Well Qualified

Why? Please explain below (You may add additional pages if necessary):

Please describe specific instances relating to the Candidate's (a) experience; (b) integrity; (c) professional competence; (d) judicial temperament; and (e) service to the law and contribution to the effective administration of justice and/or to the community.

Please give specific reasons or examples if you believe the Candidate has earned the "Commended" designation.

A Candidate found Exceptionally Well Qualified, Well Qualified, or Qualified may receive the additional rating of "Commended" by demonstrating, in addition to the Evaluation Criteria set forth in Article VIII, Section A below, outstanding altruistic service and support professionally and/or personally to women, children, and/or underrepresented groups on issues including gender, pregnancy, race, ethnicity, age, sexual orientation, disability, marital/family status, and/or economic disadvantage. The Committee's evaluation does not follow a prescribed checklist of a Candidate's activities or accomplishments; rather, the Candidate is evaluated on a totality of the information provided to the Committee by the Candidate and outside sources. The "Commended" rating shall not be an endorsement of any Candidate. It may be given to more than one Candidate for any judicial office. Candidates should provide the Committee with information from their personal or professional lives that demonstrate their commitment to serve and support people who are currently or were historically marginalized or vulnerable, including, but not limited to, for example, women, children, people of color, or members of the LGBTQ+ community.
